WHEN IT COMES TO AUTO SAFETY, LITIGATION PLAYS A CRITICAL ROLE

New research shows the important role that litigation plays in prompting the National Highway Traffic Safety Administration (NHTSA) to issue safety recalls.

Strong data and examples show that, but for litigation, NHTSA would never have learned about or investigated many dangerous defects that led to safety recalls.

Conor Dwyer Reynolds, "The Role of Private Litigation in the Automotive Recall Process,"
29 Loyola Consumer L. Rev. 121 (2016).
