

## WHEN LAWS TAKE DECISIONS AWAY FROM JUDGES AND JURIES, TRAGEDY RESULTS

**An Miami Herald/ProPublica investigation of Florida's Birth-Related Neurological Injury Compensation program shows what happens when a political structure replaces the courts:**

***massive corruption, unspeakable harm to injured babies, horror for powerless families, and new burdens on taxpayers who must pick up the tab when those responsible for harm don't pay.***

Carol Marbin Miller and Daniel Chang, "Birth & Betrayal: Impact of a Miami Herald/ProPublica investigation," September 16, 2021.
