## THE GREAT BIG-PHARMACY RIP-OFF

**According to the Federal Trade Commission, the three biggest pharmacy benefit managers – UnitedHealth Group Inc's Optum unit, CVS Health Corp's CVS Caremark and Cigna Corp's Express Scripts, which manage 79% of U.S. prescription drug claims – have greatly enriched themselves at the expense of smaller pharmacies and consumers.**

**"FTC report: Pharmacy middlemen rake profits at consumers' expense," Fast Company, July 9, 2024.**
