## SECURITIES CLASS ACTIONS HAVE BEEN DROPPING FOR YEARS

Cornerstone Research and the Stanford Law School Securities Class Action Clearinghouse found that “the volume of securities class action lawsuit filings fell for the third straight year in 2022.”

In fact, filings in 2022 were even lower than those for 2021.

Sources: Cornerstone Research, “Securities Class Action Filing Activity Fell for Third Straight Year as Volume of M&A Class Actions Declined,” February 1, 2023; Cornerstone Research, “Securities Class Action Filing Activity Fell for Third Straight Year as Volume of M&A Class Actions Declined,” February 1, 2023.
