

Spotlight On Justice

“ELON MUSK’S CRASH COURSE”

Now on FX and Hulu, “the 75-minute fright show spotlights the persistent dangers of Tesla’s automated driving technologies, the company’s lax safety culture, Musk’s P.T. Barnum-style marketing hype and the weak-kneed safety regulators who seem not to care.”

“Company insiders rip Tesla’s stance on safety in hard-hitting Elon Musk doc,”
Los Angeles Times, May 20, 2022
