

Spotlight On Justice

RECORD-BREAKING NUMBER OF PEOPLE KILLED BY BIG TRUCKS IN THE U.S.

“More than 5,600 people were killed [in 2021] in crashes involving large trucks, a 13% increase over 2020 and the largest number in almost four decades, according to preliminary figures released by the National Highway Transportation Safety Administration.”

“Deaths in truck crashes jumped 13% as feds continued to ignore recommended safety steps,” NJ.com, May. 21, 2022
